

## HSAA What are we about?

Home School Athletic Association was established to provide home schooled youth with opportunities to compete in competitive athletic events in a Christian atmosphere. Through this athletic competition, HSAA is committed to providing parents with support in their responsibility of developing high moral character within each student-athlete.

# HSAA Champions

## What is HSAA?

Home School Athletic Association (HSAA) is a non-profit association that provides a competitive athletic program for home schooled youth that would not normally have an opportunity to play competitive athletics.

## Who is HSAA?

HSAA is run entirely by volunteers. There are no paid staff but only parents and friends of HSAA that give of their time and resources to coach and serve the community providing youth athletics.

## Baseball

Baseball is the original and flagship sport sponsored by HSAA. HSAA offers competitive Varsity, Junior Varsity, 8th and 7th grade teams.

The baseball teams have had very successful winning seasons over the past several years. We compete against private schools within the Dallas Metroplex and other home school teams across the nation.

The Varsity team has qualified to participate in the Home School World Series played in Florida each year.

Other sports programs include

### Girls Basketball

(High School and Middle School teams)

### Boys Basketball

(High School and Middle School teams)

### Girls Volleyball

(High School and Middle School teams)

All of our teams compete against some of the highest quality private school athletic programs within the Dallas Metroplex and other home school teams across the nation.
